

Smaller, lighter, slimmer. The Ultra compact contemporary design of the 2014 DRS range is dramatically reduced in physical size and weight, when compared to most standard models but with absolutely no compromise to screen size, with superb viewing and audio quality, packed with features, such as DVB-T2/DVB-S2 tuners for viewing HD programmes through a standard aerial or satellite dish without the need for further decoders and AQT for very simple set up.
