"let us provide the entertainment"

MJSATPOS20

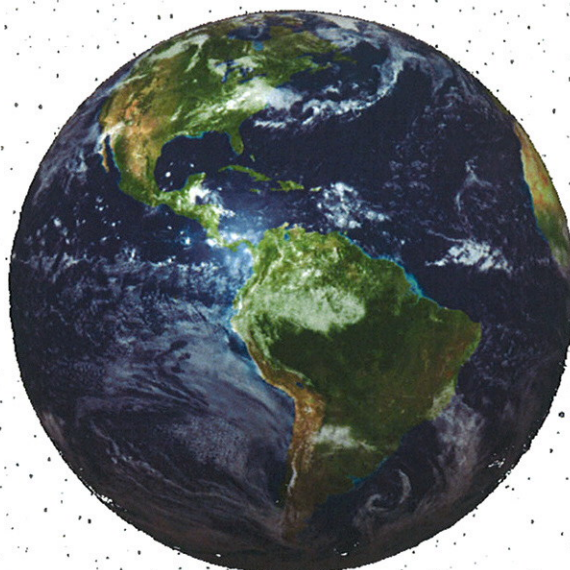

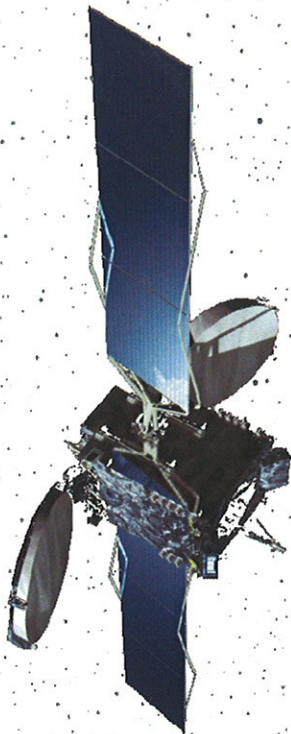

The Majestic SATPOS20 Automatic Tracking Satellite TV Antenna for RV's & Motorhomes brings Majestic Quality and Performance to in-vehicle Entertainment.

Designed along the lines of our record selling SATPOS20, the SATPOS20 brings to the Satellite Antenna market a 60cm version for even better satellite reception.

Utilizing the same 720mm footprint with a 380mm high dome, the SATPOS20 adds versatility to the stable of Majestic Automatic Tracking Satellite Antennas.
